### 3. Application Eligibility

An applicant to this program must be a non-Japanese national eligible to stay in Japan as a student under the state regulations of immigration and refugee control, and must meet both A and B below.

A. Meet one of the following:

- (1) An applicant recommended by one of Ehime University's academic exchange partners abroad
- (2) An applicant recommended by a foreign government
- (3) An applicant eligible for the international student support programs of the Japanese Government or Japan International Cooperation Agency (JICA)
- (4) An applicant recognized by the Graduate School of Science and Engineering as equivalent to (1), (2) or (3) above.

B. Meet one of the following:

- (1) The applicant has earned or is expected to earn a Bachelor's Degree by September 2022.
- (2) The applicant has had formal education outside Japan and has completed or should be expecting to complete 16 years of formal education by September 2022.
- (3) The applicant has earned or expects to earn a Bachelor's Degree or equivalent by completing an academic program of 3 years or more at a foreign university or foreign educational institution by September 2022 (limited to the institutions whose overall quality of education and research has been evaluated by an external body certified by the country's government or its related agency, or the institutions designated as equivalent by the Minister of Education, Culture, Sports, Science and Technology).
- (4) The applicant has had formal education outside Japan and has completed 15 years of course-based education with excellent grades and is recognized by the Graduate School as eligible to apply for the program.
- (5) The applicant is recognized by the Graduate School through a separate evaluation for admission eligibility as is in possession of academic abilities equivalent to or greater than those of a Bachelor's Degree holder, and must be 22 years old by September 2022.

**(Note:** If you wish to be admitted under requirement (3), (4) or (5), please contact the Graduate School Office before sending us your application documents.)

In addition, those who apply to the above B (4) (5), please submit the following documents by the deadline.

**《If you apply according to Requirement B (4) above》**

An applicant willing to apply to this program under the Application Eligibility requirement B (4) above must also submit the following documents in addition to the documents listed on page 4 of this 'Application Guidelines' to the address given on page 1 by the application deadline. It is not necessary to submit "(3) Bachelor's Degree certificate or certificate of expected date of graduation" among the application documents.

Documents to be submitted:

Grade sheet/s or transcript/s	Officially sealed copies of grade sheets or transcripts of courses attended, issued by the university or college of affiliation; with clear indication of compulsory courses as well as all other courses attended up until 3rd year or 6th semester of the program and the corresponding credit hours
Program curriculum of the college/university attended	The program curriculum details of the courses attended at the college/university of the applicant's affiliation

Submission Deadline:

**3 June 2022 (Fri)**

Must be either submitted in person from 9:00 AM to 5:00 PM on weekdays, or received via mail (postal service) by the above deadlines.

**《Pre-application Admission Eligibility Assessment for Requirement B (5) above》**

An applicant willing to apply to this program under the Application Eligibility requirement B (5) above must submit the following documents to the address given on page 1 of this 'Application Guidelines' by the deadline below.

Documents to be submitted:

- 1) Admission eligibility assessment sheet (provided with the application material: Form #4)
- 2) Reason for admission eligibility assessment request (provided with the application material: Form #5)
- 3) Graduation certificate obtained from the last-attended educational institution
- 4) Other reference materials for evaluation (such as research paper/s, patent certificate/s, etc.)

Submission deadline:

**28 April 2022(Thu)**

Admission eligibility assessment:

The admission eligibility assessment will be conducted on the basis of the submitted documents, and the applicant will be notified of the result by 27 May 2022 (Fri). Please note that the submitted documents will not be returned for any reason, but if the admission eligibility is approved, the applicant will have to submit all required documents listed on page 4 of this 'Application Guidelines.' Moreover, the result of this particular admission eligibility assessment will only remain valid for an application to 2022 Mater's Selection Program for Graduate School of Science and Engineering conducted based on this 'Application Guidelines'.

**4. Application Materials and Documents to be Submitted**

- (1) Application form (including Personal Identification Card and Admission Card) (provided with the application material: Form#1)  
(The photograph should be 30-mm wide and 40-mm high (30mmx40mm) showing the torso and face of the applicant. The applicant should be facing forward and not wearing a cap/hat. The photo should have been taken no more than 3 months prior to the date of application)
- (2) Officially sealed grade sheet/s or transcript/s of Bachelor's Degree program officially issued by the university or college authority.

- (3) Bachelor's Degree certificate or certificate of expected date of graduation officially issued by the university or college authority.
- (4) Officially sealed Letter of Recommendation from the Dean/Principal/Campus Chief or a high-ranking official of the university or college (provided with the application material: Form#2)
- (5) A written pledge indicating the possibility of arriving in Japan on or before the specified date by the university if selected (provided with the application material: Form#3)
- (6) A copy of the page in the applicant's passport showing name, photo, passport number, etc.; if unavailable at the time of application, it must be submitted by the exam date.
- (7) Application Processing Fee < An applicant under the Application Eligibility requirement A(1) is not required to pay. >

The application processing fee is 30,000 yen. If paying from an overseas bank or financial institution, you must confirm that the amount to be transferred is 30,000 yen exactly; an equivalent amount in another currency will not be accepted. You can ask the bank or financial institution to make the payment in Japanese currency so that they do not deduct their handling charges and the service charges at paying bank in Japan from the amount of application processing fee at the time of making the bank transfer (remittance). Please include a copy of the bank transfer form with the application materials.

- 1) Amount to be remitted: 30,000 yen (exact amount payable only in yen)  
( Please pay the remittance fee at the time of remittance. If there are related bank fees and expenses in addition to the remittance fee, please pay buy the sender.)
  
- 2) Bank account details for transferring the application processing fee
  - Bank Name: The Iyo Bank Ltd.
  - Bank Code: 0174
  - Swift Code: IYOBJPJT
  - Branch Name: Ichiman Branch
  - Branch Code: 109
  - Branch Address: 2-20-1 Katsuyama-cho, Matsuyama 790-0878, Ehime, Japan
  - Account Number: 1799161
  - Account Holder's Name: NATIONAL UNIVERSITY CORPORATION EHIME UNIVERSITY  
10-13 DOGO-HIMATA, MATSUYAMA 790-8577, EHIME, JAPAN
  
- 3) Period of payment: At any time before submitting the application
- 4) Transfer method: Telegraphic transfer
- 5) Bank fees: To be paid by **the sender (applicant)**
- 6) Additional information: When sending a remittance, in the message section write 'university entrance examination fee' as the purpose, your full name and the name of the graduate course.

**Note:** Your application will not be complete until all of the materials and documents (including the application processing fee) have been received.

No application will be considered after the final deadline given on page 1 of this 'Application Guidelines'. If the application processing fee is insufficient (i.e. less than 30,000 yen), your application documents will be regarded as incomplete and your application will be rejected. In such a case, the application processing fee will be returned, but any fees charged by the bank in Japan or by the bank on the applicant's side must be paid by the applicant. The application processing fee will not be returned except for the conditions listed under # 5 below.

#### **5. Return of the Application Processing Fee**

The amount paid as the application processing fee will be returned in the following case/s only. (Reminder: Any fees charged by the bank in Japan or by the bank on the applicant's side must be paid by the applicant.)

- 1) The application processing fee was paid, but the application documents were not submitted.
- 2) The application processing fee was mistakenly paid two or more times, or an amount greater than the required amount of 30,000 yen was paid.
- 3) The application documents were submitted, but the application was rejected.

#### **Requesting the return of the Application Processing Fee**

In the case of **1) or 2)** above, please contact us at the address below. We will send you a 'Request for Return of the Application Processing Fee' form, which you must fill out and send back to us by post. In case of **condition 3)**, we will return your application documents with the 'Request for Return of the Application Processing Fee' form, which you must fill out and send back to us by post.

#### ***Mailing Address:***

The External Payment Affairs Team  
Financial Planning Division  
Finance Department, Ehime University  
10-13 Dogo-Himata, Matsuyama 790-8577, Ehime, JAPAN  
E-mail : [suitou@stu.ehime-u.ac.jp](mailto:suitou@stu.ehime-u.ac.jp)

#### **6. Admission Formalities**

(1) The following are necessary at the time of admission.

Admission Fee of 282,000 yen ( waived for \*MEXT scholarship students )

Graduate school admission forms/papers

(2) Admission Period: Successful applicants will be notified separately.

(3) Admission Date

24 September 2022 (Sat)

However, for those who qualify for admission between 24 September and 30 September , 2022, the date of admission will be 1 October 2022, according to the university's regulations.

\*MEXT = Ministry of Education, Culture, Sports, Science and Technology

## **7. Tuition Fee and Miscellaneous Fees for the First Year**

### **(1) Tuition Fee**

Admission Fee ( waived for \*MEXT scholarship students )

282,000 yen (to be paid at the time of admission)

Tuition Fee ( waived for \*MEXT scholarship students )

First Semester 267,900 yen, Second Semester 267,900yen ( Annual Amount: 535,800yen )

### **(2) Miscellaneous Charges:**

An additional few thousand yen will be needed for miscellaneous fees.

- Notes: 1. The tuition fee must be paid after admission, so successful applicants will be notified of the payment period at a later date.
2. If the amount of tuition is revised, while you are a student, the new fee will apply.
3. A system to waive the admission fee as well as the tuition fee is available, but only to those who have an excellent academic record and face economic hardship or if there are special conditions such as the severe impact of a natural disaster. Depending on the extent of economic hardship or impact of disasters, it is possible to apply for partial or full waiver of the fees. It is also possible to apply for late payment of the fees.
4. On occasion, the admission fee and tuition for the 2021 fiscal year will be revised for the 2022 fiscal year.

## **8. Miscellaneous**

(1) Download the application forms from the Ehime University website ([https://www.ehime-u.ac.jp/en\\_page/prospective-students/](https://www.ehime-u.ac.jp/en_page/prospective-students/)), fill in the necessary information, and mail it to the address provided.

(2) After receiving the application documents, no changes will be allowed under any conditions. The submitted documents and application forms will not be returned.

(3) Incomplete, inaccurate, or unauthentic application documents may result in revocation of admission.

(4) Privacy Policy (Use of personal information)

Any personal information provided in application documents such as name and address is solely for processing applications, contacting applicants if an application document is incomplete, conducting the entrance examination, notifying successful applicants, and sending admission procedure documents. If an application document is incomplete, Ehime University may notify the applicant's guardians or school to request the document be promptly amended and resubmitted.

It is also used for academic affairs after enrollment (student registration, educational guidance), student support services (health-care management, scholarship applications), tuition administration, and to conduct surveys and research (improve entrance examinations, study and analyze application trends). Personal information will not be used for any other purpose and will not be provided to third parties.
